

S10

Industrial Strength Walk-Behind Sweeper

- The S10 sweeps tight and open spaces better than any other walk-behind sweeper available
- Increase uptime with the largest hopper of any walk-behind sweeper; contains up to 150 lb / 68 kg of debris
- Exceptional dust control protects facility and employees from potentially harmful dust

**Best-in-class
walk-behind
sweeper:
the ideal solution
to all of your
sweeping needs.**

Sweep both open and congested spaces

Compact design enables the operator to efficiently clean both open and congested spaces.

Clean longer

The S10 features two powerful, 155 amp hour batteries for fume-free, long-running performance, while the ergonomically designed handle ensures operator comfort.

Less maintenance cost

Reduce maintenance costs with durable, corrosion-proof construction, while wrap around bumper protects machine and facility.

Deliver a thorough clean

Fully variable forward and reverse functions ensure easy maneuverability, in any direction, while exceptional dust control filters down to 3 microns.

The S10 delivers exceptional performance, durability, and dust control while maintaining a fume-free environment.
