Heavy-duty Outdoor Sweeper

- Superior sweeping performance in the harshest, most congested sweeping environments
- Environmentally-friendly, all-weather dry dust control
- Excellent sightlines with a full-view, cab-forward design

Sentinel®

Maneuverable outdoor sweeper for virtually dust-free cleaning

Delivering proven Tennant quality, reliability, and performance, the surprisingly maneuverable Sentinel sweeps virtually any debris, in any season—from sand, rocks, and large debris to broken glass and light litter.

High-performance, low-cost dust control

With a unique twin vacuum design, the Sentinel dust control system meets the most stringent PM-10 environmental requirements—without requiring water tanks, trucks or special dust-reduction kits.

Unsurpassed maneuverability

Weave in and out of obstacles, down alleyways, and over thoroughfares with the Sentinel's four-wheeled power steering 13 ft turning radius. And with a height of just 100 in /2540 mm, the Sentinel will slip under low clearances.

Safe, comfortable, full-view cab

Full-length Total View[™] glass doors and windshield give operators a clear view of the sweeping area to maximize safety and enable concentration on the job at hand.

MUST-HAVE OPTIONS

Extend your cleaning reach

An optional 38 in / 965 mm Vario Sweeping Brush[™] provides greater flexibility in hard-to-reach areas.

Maximize your productivity

The optional vacuum wand enables operators to clean small areas such as drains or under and around obstructions.

Multi-level dumping

Optional 9.5 ft / 2900 mm multi-level dump with hopper overload indicator enables you to empty debris wherever you need.

HIGH DUMP, MAXIMUM SAFETY, EASY ACCESS • 114-inch high dump enables discharging into large roll-offs & dump trucks.

- Cab-forward design for maximum safety.
- Quick, easy maintenance with full-access to engine.

A	Maximize sweeping safety with TotalView [™] glass doors and cab-forward design.	E	Consistent performance – any season – with state-of-the art, dry dust control system.
B	Capture virtually all types of debris with exclusive corrosion-proof stainless steel hopper.	F	Automatically adjust to surface variations with the industry's only center suspended, floating main broom.
C	Maneuver the most congested areas with a 13 ft / 3960 mm turning radius and four-wheel power steering.	G	All sweeping functions within easy reach on easy-to-use, dynamic operator panel.
D	Ensure environmentally-safe sweeping with maximum dust control from twin vacuum fans.	н	Maximum operator comfort with roomy, sealed cab interior that keeps out noise and dust down to 3 microns.

GENUINE TENNANT PARTS, SUPPLIES & SERVICE

Genuine Tennant Parts Advantage

Operate your machine with confidence by choosing genuine Tennant parts. Only authentic Tennant parts are engineered in conjunction with Tennant equipment. For years of worry-free operation, accept only genuine parts and supplies.

Industry's Only Factory-Direct Service Network

Tennant offers the only factory-trained, locally based network of 400+ service techs dedicated to keeping your cleaning program up and running.
